

# AXIOMS ON AUTHORITY

Mediate on the following, allowing the Holy Spirit  
to provide revelation, illumination, and direction

- When **IN** charge, **TAKE** charge!
- When you **abandon** your responsibility, you **relinquish** your authority
- whenever you enter a **HOUSE**, you are...
  - **BOUND** to its rules
  - **OPEN** to its influences
  - **ENTITLED** to its benefits
  - **SUBJECT** to its consequences
- whenever you exit a **HOUSE**, you...
  - are **FREE** of its rules
  - are **CLOSED** to its influences
  - **MUST RELINQUISH** its benefits
  - are **RELEASED** of its consequences
- beware of whose **HOUSE** you enter!
- submission to authority is by **CHOICE**
- **ALL** choices provide **benefits** and **consequences**
- without **GOD**, there is no **order**  
without **order**, there is no **judgment**  
without **judgment**, there is no **penalty**  
without **penalty**, there is no **law**
- without **humility**, there is no **submission**  
without **submission**, there is no **vindication**  
without **vindication**, there is no **peace**
- as the **HEAD**, so is the **BODY**
- without the **HEAD**, there is no **direction**  
without the **BODY**, there is no **function**
- without the **HEAD**, there is no **input**  
without the **BODY**, there is no **output**
- without the **HEAD**, there is no **organization**  
without the **BODY**, there is no **action**
- without the **HEAD**, there is no **structure**  
without the **BODY**, there is no **substance**
- the **HEAD** **covers** the **BODY**  
the **BODY** **exposes** the **HEAD**
- obedience **requires** submission, but submission **does not require** obedience
- the servant is **held accountable** to his master, but the master is **not held accountable** to his servant
- those whom the **LORD** **delegates**, the **LORD** **empowers**
- where **chaos** is, the **LORD** is **not**  
where **rebellion** is, the **LORD** is **not**  
where **confusion** is, the **LORD** is **not**
- **LEADERS**, beware of **INFLUENCES**; especially that which **INFLUENCES YOU**!
- **VALUABLE INSIGHT** is found when one examines...
  - that which **INFLUENCES** the **INFLUENCE**
  - that which **CONTROLS** the **CONTROLLER**
  - that which **LEADS** the **LEADER**
- he who "leads the band" must "face the music"...
